Special Meeting Announcement

As some of you, or hopefully most of you, are aware last year we were denied by Oakland County to replace our street signs with a single decorative pole. The denial leaves us with a surplus of money which needs to be addressed. We are also required to continually maintain and improve our neighborhood.

We plan to hold a special meeting at the association president's household (3447 Blasser Dr) on Thursday Feb 28th at 7pm to hear ideas on how we can use the money to improve our neighborhood. If you have any ideas please join us and offer your suggestions at the meeting.

Reminder

As a reminder, KMMA residents are not allowed to store recreational vehicles such as boats, snowmobiles, trailers, campers, etc. in their driveways or park them on their property. With Spring hopefully around the corner it's a good time to spruce up your recreational vehicle and we certainly understand the need to use your drive temporarily as you get ready for summer enjoyment. Please do not store these types of vehicles in drives or on our property for extended periods of time. Thank you.

KEATINGTON MEADOWS HOMEOWNERS' ASSOCIATION

Easter Egg Hunt

We would like to welcome you all to this year's Easter egg hunt. The hunt will take place at 3410 Blasser Dr. on March 30th at 2pm (Blasser cul-de-sac) and we hope you can join the fun! There will be treats, drinks, and prizes for the kids. So bring the kids and even if you don't have any stop on by and be social and meet some of your neighbors. **DON'T FORGET YOUR BASKETS!**

Help Still Needed

The neighborhood continues to struggle with finding people to volunteer their time for the association board. The shortage of volunteers makes it more difficult for the people that do step up and give their time. We had four positions needing filled and had no volunteers at the annual meeting. A meeting almost nobody showed up for. Fortunately Charlotte, our Treasurer, offered to move over to the Secretary position. After the meeting one of our newer residents Meghan agreed to help out with the board. We are still looking for a beach liaison to represent KMMA at the KBA meetings and someone willing to organize social activities. Please consider helping the board this year or nominating yourself for either the President or Vice-President positions that will be on the ballot in the fall at our annual meeting.

Association Directory 2013

The association directory has finally been completed and is now available electronically. Anyone who wishes to obtain a copy needs only to email the board president, at president@keatingtonmeadows.com. Tell us who you are, where you live, and we will email you a copy. We'd also like to know if you would like your email address added to the directory and if you'd like the newsletters sent to you via email instead of a paper copy. Also if you notice incorrect information, or information you'd like omitted from the directory please let us know and we will update it. The directory will not be uploaded to the website because it will be shared only within the neighborhood. If you have any questions please contact your board president at 248-977-1135.
