Reminder

As a reminder, KMMA residents are not allowed to store recreational vehicles such as boats, snowmobiles, trailers, campers, etc. in their driveways or park them on their property. With spring around the corner, it's a good time to spruce up your recreational vehicle and we certainly understand the need to use your drive temporarily as you get ready for summer enjoyment. Please do not store these types of vehicles in drives or on your property for extended periods of time. Thank you!

THANK YOU - Thank you to our former board members: **Charlotte Laviolette and Penny Folk** for their dedicated years of service to the KMMA board.
